

## TIMBER PRODUCTS & OUTDOOR FURNITURE

Products can be supplied raw, stained or sealed depending on your requirements.

# Mai-Wel ENTERPRISES

All products can be custom made to suit your specifications.

Mai-Wel Enterprises' timber manufacturing & light engineering division employs a group of experienced & capable workers to manufacture a wide range of timber products, export quality pallets & crates, a range of metal fabrication products along with various production jobs.

Mai-Wel Enterprises specialise in;

- Export transport crates
- Custom made pallets
- Outdoor timber & pallet furniture
- Real estate & surveying pegs
- Light metal fabrication
- Assembly jobs
- Bench tops, picnic tables, chopping blocks, butchers blocks, bars, children's furniture, tables, chairs & so much more...

Do you have any recycled timber that you want to rescue & bring back to life? Are you after a unique & customised piece of furniture?

The team can breathe new life into your old tired timber furniture. Whether it is a slab of timber, an off-cut lying around the shed or an old piece of hardwood furniture that you want to bring back to new, Mai-Wel Enterprises can help.
