OUR SERVICES

Our Business Services have been carefully developed with our customer's needs in mind, to ensure we can provide a one-stop solution for all your business requirements.

ASSEMBLY & PACKING

We can assemble small to medium sized items for packing and distribution in any quantity. We also regularly undertake small and large mail merges and mail outs for corporate clients and have packed thousands of promotional packs for various events and clients.

PROMOTIONAL PRODUCTS

If you are after branded gifts or products, badges, plaques or certificates, Mai-Wel Enterprises can assist you through the entire process, from ordering, design and delivery of your products.

PRINTING & GRAPHIC DESIGN

We can design any promotional or informative material for your business including but not limited to: business cards, letterheads, logos, stationery, name badges, menus, letters, mail outs, booklets, flyers, signage and car magnets.

We also offer printing for all your business requirements. Mai-Wel Enterprises are able to arrange printing on all kinds of material including paper, corflute, cardboard and vinyl.

RAG CUTTING

Mai-Wel Enterprises can supply rags to your business that are sourced from donated clothing. These rags are hand sorted and cut from a mix of cotton clothing, towels, and flannelette.

SCANNING

Mai-Wel Enterprises can scan your business or personal documents for electronic archiving. The team will provide a text-searchable PDF/A format to allow for bulk uploads into digital record management systems.

SECURE DOCUMENT DESTRUCTION

We are a leading supplier of secure document management and destruction for businesses to protect their sensitive material and secure themselves and customers from identity theft. Rest assured our supported employees carry out secure document destruction with the highest security and care.
