

INDUSTRY PRODUCTS & SERVICES

WITH MAI-WEL ENTERPRISES

At **Mai-Wel Enterprises (MWE)**, we provide a range of custom timber products and light metal fabrication services for a range of industries, from mining to real estate.

Whether you're after export quality pallets and crates or custom made furniture, the team at Mai-Wel Enterprises can provide the solution for all your industry needs.

Mai·Wel ENTERPRISES CUSTOMER FEEDBACK

"...THE SERVICES PROVIDED BY THE TEAM IS BRILLIANT.

MAI-WEL ENTERPRISES BUILD OUR FLAT PACK CRATES IN 10 PACK LOTS, WHICH ARE ALL HEAT TREATED AND BUILT TO STANDARD. THESE CRATES HOLD ESCAPE CHUTES WHICH ARE EXPORTED INTERNATIONALLY.

ALL I NEED TO DO IS CALL THE TEAM AND TELL THEM WHAT WE'RE AFTER, AND THEY'RE READY FOR DELIVERY THE NEXT DAY!

I COULDN'T BE HAPPIER WITH THE SERVICE THEY PROVIDE."

- ALLAN WARNER, TOTAL FIRE SOLUTIONS

"WE HAVE USED MAI-WEL ENTERPRISES FOR OUR REAL ESTATE PEGS FOR A FEW YEARS NOW, THEIR SERVICE IS ALWAYS OF A HIGH STANDARD AS IS THE PRODUCT THAT THEY SELL.

- MARK ROFFEY, RAY WHITE MAITLAND

OUR SERVICES

Our Industry Products are created to meet your needs. There's no job too big or small for our team. Our services include:

PALLETS & CRATES

Mai-Wel Enterprises employs a group of experienced and capable workers to manufacture export quality pallets, build crates and offer a range of timber products.

We specialise in being a leading major supplier of export and non-export pallets, crates and heavy duty dunnage to the manufacturing, mining and industrial markets.

We are accredited by AQIS (Australian Quarantine and Inspection Service) to manufacture export quality crates and pallets to ISPM15. Our timber is heat-treated and contains no chemicals. Our pallets are custom made, with export pallets from 10kg to more than 10,000kg.

Crates made by our team can either be flat packed or assembled for transport.

TIMBER PRODUCTS, SURVEYOR PEGS & OUTDOOR FURNITURE

We are able to create timber products such as handmade gift boxes, chopping boards, serving boards and outdoor furniture. We also have the ability to arrange laser cutting and branding on these smaller timber items, making a perfect small gift for clients, staff or family.

Our outdoor furniture products include, but are not limited to: garden beds, picnic tables, tall bar tables, low-lying benches and gardens.

Mai-Wel Enterprises regularly receives orders from Real Estate Agencies for surveyor pegs. These pegs can be made to any custom size and style required.

LIGHT METAL FABRICATION

Mai-Wel Enterprises can manufacture products from sheet metal with cutting, bending and welding services available. Some of these products include brackets, safety bollards, picnic tables, framework for safety signage and display stands.

We are also able to provide a heat-shrinking service and other assembly tasks.
